MALDONADO ENDORSES DUONG FOR CITY COUNCIL

San Jose, CA. – California Lieutenant Governor Abel Maldonado has officially endorsed Minh Duong for San Jose City Council District 7. Recognizing Duong's experience as a successful businessman and his skills in managing the city budget, Maldonado visited the Little Saigon Business District and urged the voters to support Minh Duong for the November 2nd City Council election.

"I am California's Lieutenant Governor and I am asking all the residents of District 7 to please vote for Minh Duong. He will really put San Jose first," said Maldonado.

City Council Candidate Minh Duong believes that the next District 7 council representative must have the ability to manage the city budget and resolve the over \$118 million budget deficit.

"Now is the time for change," says Duong. "I will work hard for all residents of District 7 as we unite to resolve the challenges we are facing today."

This is one of several key endorsements that the Minh Duong Campaign has acquired as it builds momentum with less than two months left before election day.
